

QUALITY POLICY

Motto:

Excellence in products and services

The long-term goal of WAY INDUSTRIES, a.s. is to increase its prosperity through competitive and high-quality products that meet the needs and demands of customers, a wide distribution network, and professional service, with a focus on environmental protection.

Basic principles:

- We understand customer requirements and meet their expectations
- We continuously improve the parameters and quality of our products and services
- The quality of our suppliers significantly influences the quality and price of our products
- Every employee is responsible for the quality of their work
- We meet requirements in quality, environmental protection, workplace safety, and continually improve the efficiency of our quality system
- In our operations, we focus on conserving resources, energy, and recycling waste, minimizing negative impacts, and preventing environmental pollution. Minimizing failures
- We pay attention to educating and enhancing the qualifications of employees and foster environmental awareness

A handwritten signature in blue ink, appearing to read 'Patrick Schwab', with a long horizontal stroke extending to the right.
